**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner of Patents and Trademarks**

**Non-Responsive Amendment (Bonafide)**

The reply dated 11/22/2004 is not fully responsive to the prior Office action because of the following omission(s) or matter(s):

Applicants did not indicate which of the claims read on the elected species in accordance with MPEP § 809.02(a). For example, Applicants state that claims 37, 50, 55 and 70 read on subgroup 1. However, this appears to be in error as claims 38, 39, 40, ... etc. also read on said support. That is Applicants' list for all subgroups appears to be in error. In addition, Applicants must provide which claims read on the elected invention i.e., which claims read on subgroups 1-14 "in toto". In addition, applicants failed to make a proper election for subgroup 1 (e.g., Applicants must be more specific and elect, for example, polystyrene films, see 4/16/04 Restriction page 3, subgroup 1).

The examiner also notes that the appropriate fees must be paid to extend the time period for response.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE(1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Examiner Jon D. Epperson, Ph. D., Art Unit 1639, whose telephone number is (571) 272-0808.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (571) 272-1600.
